## FOUR NEW PIANO COMPOSITIONS

## by Eugenio Pirani

| | | |
|---|---|---|
| *Op. 95.* | *Mazurka Pensierosa* - - | *50c* |
| *Op. 100.* | *Three Fantasias on Popular Italian Songs* | |
| | *No. 1 Santa Lucia* - - | *50c* |
| | *No. 2 Funiculi-Funicula* - | *50c* |
| | *No. 2 La Bella Gigugin* - | *40c* |

*These New Piano Compositions reveal the characteristics of an unusually gifted writer and may, without hesitation, be classed as noteworthy in every sense of the word.*

*The MAZURKA PENSIEROSA is a delightful number in which dreamy, imaginative fancy runs hand in hand with the absolute mastery of a modern pianist who knows how to use the resources of his instrument with exquisite finesse. For advanced players. In the three Fantasias on Popular Italian Songs we meet with striking evidence of this writer's musicianship. Their setting is in absolutely free and modern form, and while not as difficult as the Mazurka, demand players of advanced accomplishment.*

### MOOD PICTURES

TWO CHARACTERISTIC PIECES

**Sadness** (Tristesse). ..... .50
An excellent teaching piece for development and cultivation of the student's interpretative faculties.

**Humoreske** ..... .50
A charming, capricious number.

### JOYOUS SCENES

THREE PIANO PIECES FOR CHILDREN

**Dancing Class** ..... .40
This is a number in waltz time; while easy to play, it demands taste and color, making it an admirable study as well.

**Playtime** ..... .30
Joyful and gay; full of happiness, this piece may be used to equal advantage for recreation and study.

**Teddy-bear** ..... .40
This is a remarkably clever musical illustration of a little Teddy Bear; the rhythm pictures the antics and clumsy movements of a dancing bear to perfection; very amusing and very musical throughout.
